A Note From Happy Couples

"Firstly, thank you for making the process of planning our wedding reception so easy...every request was met with a positive reaction from you and you couldn't have been more helpful or accommodating. All of our guests were raving about the food, I suspect you'll have a few new customers as a result! The chef did an outstanding job, and we thoroughly enjoyed the meal.

All in all, it was a fantastic wedding reception, one which really exceeded our expectations and we had a wonderful day. All that's left to do is to reiterate our thanks. We are looking forward to dining with you soon in the near future and reminiscing about the wedding. I might leave the dress at home that day!"

Alison & Stephen

"Everyone attending was blown away by the decor and style of the room, the staff were just incredible for the whole night, they looked after everyone so well, and the bar was constantly busy. The food came out on time as organised and was so tasty, I don't think there was even 1 canapé left on the plates when they were taken away. They catered for a mix of dietary requirements, gluten free, vegan and vegetarian. Everyone just had the most incredible evening thank you!"

Louise & Niall

"I'm utterly blown away by Bob Appetit - everything was stunning. All our guests complimented the staff. Joe, Ana and Margaret and all the other members of the team played an absolute blinder. And we were so reassured by your professionalism in the run up to the day that we always knew we were in safe hands. The whole thing was carried out with a level of professionalism I have not encountered before. Well done to everyone and thank you all."
